STEMCO® PARTS SPECIALS

Voyager®

REVOLUTIONARY HUB- INSTALLED, UNITIZED SEAL

The Voyager® wheel seal is designed for regional route trucks, city traffic and coach applications. Rugged design, simple installation and proven performance make Voyager the right choice for fleets seeking a superior seal for everyday stop-and-go traffic environments.

Simpler, Quicker Installations

A bonded rubber OD and piloted entry ensures an easy and square installation.

Superior Seal

A ribbed rubber OD forms a superior seal between the seal case and the hub bore without needing additional sealant.

Reduce Contamination

A four-zone labyrinth system excludes waterborne and airborne contaminants.

Avoid Installation Damage

Thick-wall steel construction allows positive hub installation without seal warping or bending.

Increase Reliability

The temperature-resistant polymer with hydrodynamic pumping keeps the lubricant in place.

Easy Removal

Bonded rubber ID and OD allow for easier removal while anti-rotation features lock the ID surface in place.

Delco Remy®

GENUINE PRODUCTS

39MT™ Heavy Duty Gear Reduction Starter

**Cranks up
to 30% faster
than the
competition**

FEATURES & BENEFITS

- New service models come standard with **Over Crank Protection (OCP)**. OCP monitors the internal temperature and prevents thermal damage to the starter by preventing overcranking.
- These models feature an **Integral Magnetic Switch (IMS)**. IMS reduces voltage drop and ensures the solenoid receives the maximum available voltage in any starting condition.
- **Rotatable flange models** were designed specifically to improve service flexibility and part number consolidation. They easily replace competitive units and provide full industry application coverage.
- **Warranty for All Makes models:** 3 year/unlimited miles (applicable to U.S. and Canada only)

Delco Remy®

GENUINE PRODUCTS

24SI™ Heavy Duty Alternator

FEATURES & BENEFITS

- **Dual internal fan (DIF)** design provides maximum cooling technology.
- **OE approved**, assuring OE quality, reliability and performance for aftermarket replacements.
- **Superior output** producing 160 Amps at road speed and 100 Amps at idle.
- **Lightweight and compact** in size provides simplified installation.
- **Warranty:** 1 year/unlimited miles (Applicable to U.S. and Canada only).
