

# Truck Centers, Inc.

## THE ONLY SIX-PACK GUARANTEED TO LAST 2 YEARS

PowerPacks are fully backed by a no hassle, **2 year/150,000 mile warranty** when installed by the experts at your authorized Detroit Diesel service outlet.

PowerPacks is a set of 6 **reliabilt<sup>®</sup>** fuel injectors that are entirely remanufactured and tested to meet rigorous Detroit Diesel specifications for original equipment.

Your engine has 6 cylinders – why should you replace fuel injectors one at a time?
